### ABOUT US

The Jordan Nutrition Innovation Lab (JNIL) is funded by the United States Agency for International Development (USAID) as part of Feed the Future, the U.S. Government's global hunger and food security initiative.

JNIL aims to generate evidence on the impact of USAID-supported Community Health and Nutrition program and build academic capacity to support research on optimal health and nutritional status of pregnant and lactating women and children under two in Jordan.

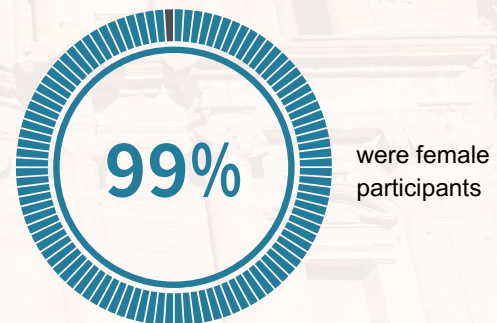

### OUTREACH

#### OF THOSE SURVEYED INCLUDE

92% Pregnant & Lactating Women  
8% Service Provider Evaluators

### FROM 2020 UNTIL NOW
